2014 CAS PERSPECTIVES 'NEW HORIZONS'

CHRISTCHURCH ADVENTIST SCHOOL

TESTIMONIALS

CHRISTCHURCH ADVENTIST SCHOOL

"HAVING BEEN IN EDUCATION IN THREE COUNTRIES FOR MANY YEARS AS A PARENT, CHAPLAIN, BOARD MEMBER, AND PROPRIETOR, I BELIEVE WE'VE **MADE THE RIGHT DECISION** IN SENDING OUR CHILDREN TO CAS. I AM CONFIDENT THAT CAS IS SHAPING MY CHILDREN TO BE ABLE TO SHAPE A **BETTER WORLD AND** REACH FOR ETERNITY. IF YOU'RE AN AVERAGE FAMILY WANTING ABOVE AVERAGE CHRISTIAN EDUCATION **I RECOMMEND** CHRISTCHURCH ADVENTIST SCHOOL TO YOU."

- South NZ Adventist Church Leader and CAS Parent, Pr Damien Rice

OUR TEACHERS PRAY FOR US AND TEACH US MORE THAN JUST SCHOOL SUBJECTS. THEY TAKE TIME TO INVEST IN OUR CHARACTERS.

- Harley Thoroughgood

"ONE THING THAT STANDS OUT TO ME AT CAS IS THE TEACHERS; THEY NOT ONLY CATER TO MY ACADEMIC LEARNING BUT SPIRITUAL LEARNING AS WELL. THE **PEOPLE AT CAS MAKE CAS WHAT IT IS AND I HAVE LEARNT MANY VALUABLE LESSONS FROM BOTH TEACHERS AND STUDENTS ALIKE."**

- Juote Sione

"CAS IS ONE OF 15 ADVENTIST SCHOOLS THAT THE ADVENTIST CHURCH OPERATES IN NZ, FROM WHANGAREI THROUGH TO INVERCARGILL. IT AMAZES ME THAT ALL STAFF, BOTH ACADEMIC AND SUPPORT, GENUINELY CARE FOR THE STUDENTS, KNOW THEIR NAMES AND CARE ABOUT HOW THEY ARE PROGRESSING ACADEMICALLY, SOCIALLY AND SPIRITUALLY, ALL THIS **BEING DELIVERED IN A PRACTICAL, LOVING, CHRISTIAN ENVIRONMENT."**

- Current Board of Trustees Chairman, Mr John Edilson

"I CAN HONESTLY SAY THAT **CAS HAS CHANGED MY LIFE** IN SO MANY WAYS. BEFORE I STARTED ATTENDING CAS I WENT TO A SCHOOL WHERE ALL MY FRIENDS WERE A BAD INFLUENCE ON ME. THIS RESULTED IN ME GETTING REALLY BAD GRADES AND A LOT OF DETENTIONS FOR MISBEHAVING. NEARLY EVERY WEEK I WOULD GET TOLD BY MY TEACHERS THAT I WILL NEVER GET ANYWHERE IN LIFE. THEN I STARTED AT CAS, AND WOW. IN THE FIRST WEEK I ALREADY **FELT COMFORTABLE AT SCHOOL, NOT ONLY THIS BUT I FELT CLOSER TO GOD.** THIS WAS BECAUSE OF MY GROWING FAITH IN GOD AND BEING AROUND GODLY PEOPLE WHO **WERE WILLING TO HELP ME ACHIEVE THE BEST THAT I CAN BE. MY GRADES HAVE NOW IMPROVED, MY ATTITUDE TOWARDS LEARNING HAS CHANGED AND MOST IMPORTANTLY MY RELATIONSHIP WITH GOD CONTINUES TO GROW."**

- Karen Souza

NOTES FROM THE PRINCIPAL

2014 has been a year of 'New Horizons' at CAS! We praise God for the way He has blessed, moulded and shaped our school and community to reach the new heights it has reached this year.

Psalm 150:1-6, TLB. "Hallelujah! Yes, praise the Lord! Praise Him in His Temple, and in the heavens He made with mighty power. Praise Him for His mighty works. Praise His unequalled greatness."

There are few things that compare to scaling mountain peaks. The views and new horizons that can be seen from on top of these mountains are breathtaking, in their beauty and in their magnificence. We praise God for a mountain-top experience this year as our school has scaled new horizons, and we ask for your prayers as we continue to aim higher for next year and beyond!

"WELL DONE TO EACH OF OUR SENIOR STUDENTS ON ALL THE HARD WORK THEY HAVE PUT IN TO GET SUCH EXCELLENT RESULTS!"

The new horizons CAS has achieved this year have included:

- Reaching our highest roll ever in the history of CAS!
- Implementing a fast growing waiting list to accommodate the huge amount of growth we are experiencing
- At the beginning of Term 3 we opened another Primary classroom – the first time ever CAS Primary has had 6 classrooms
- In the 2013/2014 transition we had a 100% retention rate from Year 8s transitioning into Year 9
- 2014 saw our students as 62% Adventist, 36% other Christian, and 2% non-preferential
- 2014 average class size at CAS was 21.9 students (includes Primary and Secondary)
- As we have reached our maximum roll, we are currently applying for a roll increase from the Government. We will keep you informed of any progress.

Our CAS NCEA pass rates for 2013 were as follows:

Level 1 – 100% pass

Level 2 – 100% pass

Level 3 – 100% pass

Gained University Entrance – 100%

This continues a consistent run of very strong academic results for CAS over many years. Well done to each of our senior students on all the hard work they have put in to get such excellent results! And thank you to our dedicated Teachers who once again have ensured all our students achieve great results, which are well above national averages.

The Senior Management Team and Board of Trustees are actively pursuing options to continue accommodating the roll growth. With growth comes new challenges and opportunities! Managing change is a priority for our Board and Staff.

Thank you for your support, understanding, and prayers at this exciting time in our school's history - we praise God for the way He has blessed!

If anyone you know is looking for a school with a strong academic program and success rate, a holistic education and strong Christian values, CAS is the place to be! Prospective parents can phone our School Office on **(03) 352 9173**. Application forms are available on the school website: **www.cas.school.nz**

BOARD OF TRUSTEES CHAIRMAN

FROM MR JOHN EDILSON

Looking back over the period since the initial Canterbury earthquake of September 2010 the Christchurch Adventist School (CAS) , has been through quite a journey. The result of the almost continuous seismic activity during 2010 and 2011 meant, for many reasons, a number of 'our' students left CAS and by mid 2012 the student roll had fallen to circa 162. At that stage a deliberate decision had to be made as to whether to accept that CAS will need to continue to exist as a small integrated Christian School or move forward and put strategies in place to address the decline in student numbers.

After appropriate discussions with stake holders a decision was made to accept the option of arresting the decline and striving to grow student numbers, and the results have been very positive, with CAS finishing the 2014 academic year with a full student roll of some 245 and an enrolment waiting list.

Such growth can bring challenges, the most important of which, is to ensure the retention of the culture of the school and to continue to be an educational provider that delivers quality education in a practical Christian environment.

SCHOOL HYMN

We have this hope that burns within our hearts,
Hope in the coming of the Lord.
We have this faith that Christ alone imparts,
Faith in the promise of His Word.
We believe the time is here,
When the nations far and near
Shall awake, and shout and sing
Hallelujah! Christ is King!
We have this hope that burns within our hearts,
Hope in the coming of the Lord.

STUDENT COUNCIL AWARD OF APPRECIATION

For your dedication to quality education. Your innovative vision towards the growth of our school. For all the things you do behind the scenes, and the relationships you have built with our school and community. For your dedication to CAS through the duties and leadership you have shown on the BOT and the call you have taken on to serve our Lord above and beyond what is required. We dedicate Perspectives 2014 to Mr John Edilson.

AWARD OF APPRECIATION

MR JOHN EDILSON

BOARD OF TRUSTEES STUDENT REPRESENTATIVE

FROM DENA MAKARIOUS, BOARD OF TRUSTEES STUDENT REPRESENTATIVE

"I HAVE THOROUGHLY ENJOYED MY JOURNEY THIS YEAR"

Being this year's BOT representative has been exciting, thrilling, stressful and scary, all at the same time!

I have had the pleasure of being a part of two awesome teams: the school Board of Trustees and the Student Council team. My role as BOT representative and Head of the Student Council team has included exciting jobs, from attending board meetings to organizing staff appreciation day to running mufti days and donating money to several places including canteen, schools in Napa affected by the earthquake, and the Philippines who were affected by the typhoon. But the job also included other little tedious jobs such as counting up money from mufti days, putting up posters, sending home reminders and nagging people to show up to meetings.

However, through all of these things I believe that being the BOT representative has provided me with opportunities for growth and experience and life long lessons. For instance, I am the sort of person who prefers to work alone but early on in my journey I realised that this was not a one man job and that in order for things to be done, and done well, it took a team and luckily for me I had an amazing team of people to back me up and make sure everything was running smoothly.

Another thing that I have witnessed by being on the Board was seeing how this school really puts the time and effort into further improving itself, how CAS is a school that does not settle for mediocre results but aims for the highest and is constantly pushing the bar whether academically or spiritually.

This has really challenged me and made me realise that there is always something to do and that there is always something 'better' and that is why as a team this year we have focused on pushing the limits and setting new heights, because as Zora Neale Hurston says "no matter how far a person can go the horizon is still way beyond you."

Therefore, I can truly say that I have thoroughly enjoyed my journey this year and I am so blessed and lucky to have had the team that I did this year, working with the Board members, Mr Carrasco, Mrs McDonald and the Student Council students has been a true privilege.

HEAD PREFECTS BLURB

"IT HAS BEEN AN HONOUR TO SERVE AS HEAD PREFECT"

Jeremiah 29:11

For I know the plans I have for you declares the Lord, plans for you to prosper and to give you a hope and future.

At the beginning of the year, the Christchurch Adventist School (CAS) prefect team set goals. Our main goals were to be more involved and connected with our fellow primary and intermediate year levels, be approachable to all students attending CAS and to serve. We believed the true purpose of being a leader was to serve our school community to the best of our abilities. These goals we set required four main things, they were dedication, cooperation, integrity and prayer. Reflecting on the year just gone by, we were never alone and all praise deservingly goes to God.

My 2014 prefect team are Hadassah Mataio, Kokee Alojado, Leo Aguirre and Karen Souza. How blessed I feel to have been given the opportunity to collaborate with this dedicated team and our remarkable student Board of Trustees representative Dena Makarious, in the constant planning, assisting and organising of various events, this included Week Of Worship, Fuse and Kids Church programs.

The support this year has been overwhelming, no words of appreciation are able to express the gratitude that I feel towards everyone who has supported the prefect team this year in our endeavour to achieve our goals and more. For the future leaders of CAS, may you remember the message in 2 Timothy 4:12 below as motivation to help bypass all the obstacles that may try to discourage you.

2 Timothy 4:12

Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and in purity.

This experience has strengthened my faith with God, as in times of stress and obscurity there is always one certainty, one rock that can never be moved by stress or emotion and He is God.

It has been an honour to serve as Head Prefect at CAS and I pray that the school continues to flourish academically and spiritually by the grace of God.

AROUND THE SCHOOL

WEEK OF WORSHIPS

Can you imagine the atmosphere of 120+ Primary students singing their hearts out to God? Can you imagine Secondary students sharing their journey through scripture, song, prayer and testimonies? What a beautiful experience of worship! At our Week of Worship programs this year 26 of our students requested baptism, and 43 of our students requested Bible studies! We praise God for all the decisions that were made and ask for your continued prayers as our Pastoral Care Team continue to follow these up. Mrs Litiana Turner was the guest speaker and we know students and staff alike were blessed and encouraged by her messages. The week also featured special lunchtime activities, a prayer room, an activity room, a photo gallery and a tunnel! Thank you to our Pastoral Care Team, students and staff for all your organisation to make this week one students will always remember! We thank our Heavenly Father for the way He worked and continues to work on the hearts of our young people!

PASTORAL CARE

Greetings from our 2014 Pastoral Care Team! Pr Jonathas Custodio (Pr Jay) our Chaplain, Mr Jean-Marc Risuleo (Pastoral Care Leader), and Mrs Beulah Thoroughgood (Grants Road Ministry Worker). We have enjoyed getting to know students, parents and families this year and providing pastoral care. We have organised and led out in Bible study groups, and also facilitated our weekly school Chapel programs, FUSE (quarterly Friday night teen program), Kids Church, Year 13 Retreat, School and Preschool Weeks of Worship and other events. We also have worked with Footsteps, our wonderful Preschool next door!

We love seeing you around and enjoy working with you! Feel free to contact us anytime at school. Thank you for your support, encouragement, help and prayers in 2014!

"WE LOVE SEEING YOU AROUND & ENJOY WORKING WITH YOU!"

FUSE

FUSE is a Christchurch wide, regular Friday night program, run for teens by Grants Road Ministry. FUSE was birthed in 2009, and born out of a desire and God-given vision to create a cutting-edge ministry event where teenagers can lead out and get involved, something they can be proud of and something they can bring their un-churched friends to.

The program that happens each time has a different theme, and the rest of the program and décor is built around this theme. Students are involved in every aspect of the program – leading out, music, creative arts, food afterwards, welcoming at the doors, advertising, lighting and sound, decorations, photography etc (under the able guidance of our Chaplains).

Momentum has built with this program to such that many teens are bringing their neighbours, un-churched school friends and other people that they know. It is exciting to see new faces at each FUSE program and we praise God for the doors it is opening up.

Thank you for your continued prayers with this initiative.

KIDS CHURCH

Kids Church is an event run by the CAS Pastoral Care Team in association with Grants Road Ministries and Papanui Seventh-day Adventist Church. All kids aged 3-10 years old are invited to come along and bring their friends! This year the team have run 8 Kids Church programs all with different themes, featuring Bible stories, craft, puppets, drama, guest story tellers and other features. A team of teens, who are passionate about serving God, help run the programs, under the leadership of the Pastoral Care Team.

BAPTISMS

At CAS we strive to 'Educate for Eternity' (our vision statement) so student baptisms are a huge highlight that we love to celebrate! The CAS community were thrilled to witness Joselle Bontilao, Jobelle Bontilao, Deborah Anau, Komani Anau, Jessica Blondell, Hannah Kleinmeulman, Denim Rice, Liam Heath, Logan Freeman Ngatai, Nathaniel Watts, Trentin Watts, and former students Lily Thoroughgood and Laura Duncan make public declarations of faith through baptism this year.

CHAPELS

CAS Primary and Secondary Chapel programs are held every week, with both campuses combining together once a month and at the beginning of every term to celebrate, and worship God as a whole school family. This year's Chapel programs have featured guest speakers including Pastors and community leaders, Youth Workers, student voice and staff sharing. Students have also led out in each aspect of the programs – worship leading, playing instruments, special items, icebreakers, interviews, prayer, audio visual, welcome, and sharing Scripture. It is encouraging and exciting to see so many students wanting to use their talents to lead out and to glorify God! We praise God for the ministry that has taken place this year in our Chapel services at CAS.

CHURCH VISITS

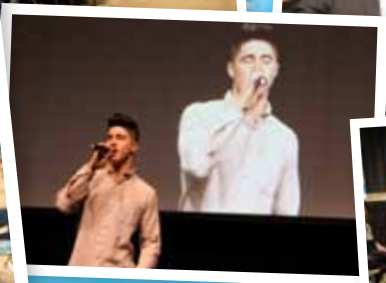
Each year CAS students lead out in at least two Church services at Adventist Churches around Christchurch. Well done to all students and staff who led out in our Church Visits this year, to Garden City Fellowship and Ilam SDA Church. Thank you for using your talents to glorify God! And thank you to our Pastoral Care Team for organising the church services. Well done everyone and praise God for the ministry that took place.

INVERCARGILL YEAR 9 & 10

A team of ten Year 9-10 students, under the leadership of Mr Risuleo and Mrs Paul, spent a week at Invercargill Adventist Christian School leading out in their Week of Worship! At CAS we love to give our students opportunities to use their talents to serve God and others through various events throughout the year. The programs the team produced each morning included puppet skits and songs, science experiments, special items, singing, sharing, prayer and scripture, and a sermon from Mr Risuleo. The team also spent time with the SACS students at recess and lunchtime, and sometimes helped lead out during class time and sport. Later in the week they participated in a service project with the school. Mr Risuleo challenged the children to make decisions for Jesus at the end of the week. CAS is thankful for Principal, Mr Baronian and his team, and the local Pastors and church for hosting our team and providing delicious meals! At CAS we love to partner with other schools and communities, to serve and to lead people to Jesus.

BEN CARSON VISIT

Dr Ben Carson: "My inspiration comes from Jesus Christ" - Year 4-13 students were very privileged to go to CBS Arena and listen to world renowned Neurosurgeon and Adventist, Dr Ben Carson. The students and staff were thoroughly inspired by Dr Carson's presentation! The program also featured MC Simon Barnett, a Powhiri, and a performance by Christchurch band, Moorhouse. Some of our students were able to meet Dr Carson afterwards, and also international netball coach and former representative player from NZ, Linda Vagana! We praise God for the fantastic experience our students and staff were privileged to have in hearing Dr Carson share! Thanks to Duffy Books in Homes, Sanitarium and Mainfreight.



"MY INSPIRATION COMES FROM JESUS CHRIST"

YEAR 13 RETREAT

Our Year 13 students and staff each year head to Mt Hutt Retreat on the Year 13 Retreat. This annual event is a team building weekend away, which prepares students with helpful tips, spiritual advice and guidance as they move towards completing Secondary School. This year's Retreat was once again a great success, with our wonderful Year 13 class and staff members coming back enthused, encouraged, and ready to face what lies ahead, with God right by their side.

SERVICE

At CAS we love to give our students and families opportunities to serve and help out in the community. This year students have been involved in serving through Rest Home visitations to many of the rest homes in the Papanui area, students making breakfast for younger students, serving another school and preschool through a Week of Worship week-long program, raising money on Daffodil Day, leading out in community camps and church events, helping out at a triathlon, and picking up rubbish amongst the many things! We praise God for our students being involved in the community and being willing to serve those others as Christ did. Thank you to all those parent and community helpers who have assisted with these events.

SPORTS REPORT

As I sit down at my desk to contemplate the year that was, my mind springs back to the start of the year. We began our sport year with getting together at Kaiapoi Aquatic Centre and participated in our annual Swimming Carnival. Shortly after, we all ran, jumped and threw our way through Athletics, and then we ran around a park for Cross Country. This was all in first term.

Thrown into that mix was also the weekly sport that over 70% of students participated in. Second term was no respite with a continuation of weekly sport, with successes being experienced over a range of teams. As winter set in so did the cold weather but I need to commend the students for continuing to perform and want to participate in sport.

The sport program at CAS would not be the same without a few key staff and community members. I would like to thank Mr Ling, Mr Bell, Mrs Parker, Mr Risuleo, Miss Qiosese, Mrs Ling and past students Hinanui Parker and Gabbriel Garcia for their efforts and support throughout the year. Without them it would be impossible for me to run the sport program. Also a big thank you to all the parents that came to various games to support their children. And last but not least, thanks to all the students who have participated in sport this year! Well done!

Stay active, stay strong and see you all next year!

Head of Sport

SCHOOL CAMPS

What a wonderful time our High school students and staff had at the various High School camps this year! Thank you to everyone involved, and especially our fantastic teachers who worked so hard to make the camps a highlight for all students. Year 9 tramped around Mt Somers, Years 10-11 headed to Lake Lyndon, and Years 12-13 went to Okains Bay. The camps included all sorts of exciting activities and education outside of the classroom.

ATHLETICS

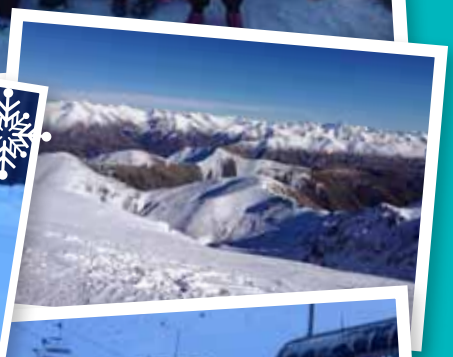
Despite the weather being less than ideal, Athletics Day was a great success again this year. Everyone participated well, enjoying the competition and the friendly house rivalry! Well done to all students on your participation and efforts. Congratulations to all our champions too!

CROSS COUNTRY

This year's Cross Country was held at St James Park. Students enjoyed running, and especially coming through the finish line to a group of cheering spectators!

SNOW DAY

2014 Snow Day was another fantastic day at Mt Hutt, with students enjoying the slopes and learning new skills. Thank you, Mr Kuzniarski (Head of Sport) for organising all our sports days.



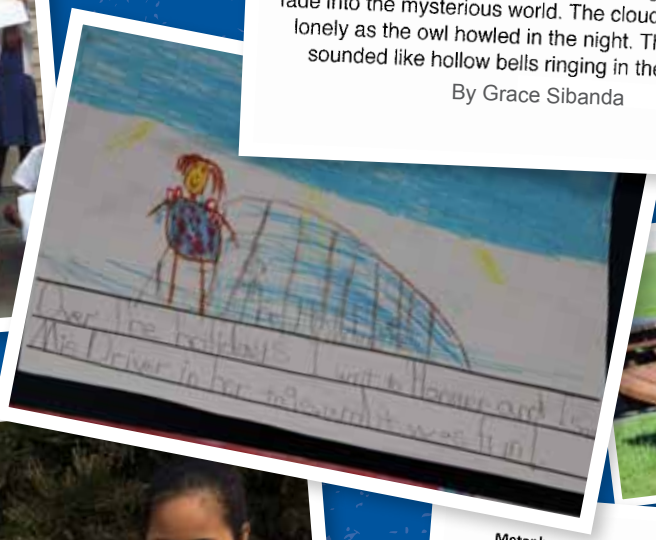
SWIMMING

2014 Swimming Carnival at Kaiapoi Aquatic Centre saw students shine, try their hardest, and aim to do their best! Well done to all who participated, and especially those who won their races!

STUDENT WORK

My voice was muffled by the blankets. I heard a loud thud and i became more alert. The gloomy night was starting to fade into the mysterious world. The clouds looked low and lonely as the owl howled in the night. The autumn wind sounded like hollow bells ringing in the fading night.

By Grace Sibanda



The Land Of Slumber.

Quiet voices slowly fade, and the land of dreams comes into view. Nothing shall awaken me from this place of slumber. I fall into sheets as soft as freshly fallen snow and pull the covers up to my chin.

The darkness slowly embraces me, falling over the world like a blanket to keep in the warmth. The fire crackles giving warmth and a feeling of safety, casting eerie, flickering shadows over the walls, but even in the land of dreams, the place of slumber, the darkness will always slowly fade.

- Julian Stewart

Metaphors

A tree is a skyscraper towering over me.

It is a massive umbrella sheltering me from the rain.

It is a city, giving homes to birds and all the other creature.

It is an elegant dancer, moving rhythmically in the wind.

It is a gift bearing its fruits.

Image Writing

Festival.

The wild roar of people celebrating fills the streets at night. The people are all wearing bright red, yellow and purple coloured clothing. The lanterns and rose-coloured powder illuminates the sky. I can smell smoke as the first of the fireworks jump vibrantly into the sky. I can see the gleaming lights that cover every building in the street. This is happiness

Are you lonely moon?
You giant white balloon,
You have no water, wind or air
No wonder nothing lives up there.
You can't grow flowers or grass
Your soil is only rocks and glass,
Even your light is not your own
Instead it's from the sun that shone.
Your gravity is weak,
I hear you really have no atmosphere,
But don't be sad, moon
Please don't cry
For I still love you in the sky.

STAR

STAR funding is money which comes to our Secondary Department from the Ministry of Education, and is aimed at facilitating the transition of school students into further education, training and employment. The courses offered this year included general skills (Communication and Leadership, Interview Techniques, Advanced Customer Service, Adventure Based Learning at Boyle River, First Aid) and more specific skills (Song Writing, Careers with Children, Graphic Design, Basic Food Safety, Barista, Radio and Journalism, and a Trade Taster course). The students have benefited greatly by adding to their credit counts for NCEA Level 1, 2 and 3, and learning or improving skills for use in future employment.

GATEWAY

Gateway is a programme for Year 12 and 13 students. This programme gives the student the opportunity to go out to work and experience one day a week in their chosen career path. This provides a wonderful opportunity for students to help decide whether this pathway is the right one for them, while at the same time, being able to earn credits towards their NCEA Level Two and Three. CAS has had eight students on Gateway in 2014, working in the following areas: Nursing, Early Childhood, Design and Technology, Welding, Building/Carpentry and Painting/Paperhanging. Well done to all students involved.

ESOL/LEARNING SUPPORT

Our wonderful department has three purposes. Firstly, Ms Ah Siu and classroom teachers support English Language Learners (ELL) to learn to speak, read and write English. Secondly, students who are high achievers or gifted and talented in various essential learning areas or activities are identified and extended appropriately through classroom programmes. Thirdly, we provide literacy-based programmes to help students thrive in this vital area.

Mrs Proud and Mrs Page work in the literacy programmes. Mrs Proud takes individual students for Sight Word Probes to increase their immediate recognition of high frequency words to support reading and writing. She also works with individual students on the Bannatyne Reading, Writing, Spelling and Language Programme. Mrs Page works with groups of students on a software based programme called Steps to Literacy that is designed to develop the processing skills involved in literacy.

The ESOL programme is for learners who have English as their second language. Our aim at CAS is to help these bilingual learners achieve alongside their peers in the mainstream classes. We have established a robust set of procedures for identification and monitoring students' English language learning needs. The ESOL programme at CAS provides twofold support- in class and through withdrawal groups. It also provides intensive English Language support for students who need it.

The withdrawal programme is largely a topic based oral language programme covering topics that are related to the integrated study each term. Each topic is introduced prior to the topic being studied in class. This empowers the learners, providing them with background knowledge, an understanding of key concepts, and a language base to build on.

Working with students who have English as their second language is both challenging and rewarding. We get to learn from the students about their language, culture, and beliefs. Students are encouraged to maintain their first language where possible. Research shows that children with strong first language skills are more ready and able to learn a second language. In other words, it's difficult to build a second language if the first language foundation is not established and supported while the second language is being learned. This year our bilingual learners have been well supported through the class programme as well as through the ESOL programme. Many of our bilingual learners who arrived at school with minimal English are making very good progress.

BOOK WEEK

Primary Book Week is a bi-annual event and one of the highlights of the school calendar for Primary students! The Grandparents and 'Grand' friends lunch on Wednesday, the wonderfully decked out Library, the dress up day and parade, the guests who shared stories with the classes, and the incredible costumes worn by our creative Librarian were all things that will be remembered by our Primary students for this year's Book Week.

CULTURE DAY

Primary Culture Day was a great celebration of diverse cultures from around the world, with a special emphasis on Tikanga Maori this year. It was great to see the colourful and interesting display of traditional costumes and delightful dishes arrive at school for the shared lunch. Students enjoyed their workshops throughout the day, culminating in an assembly where the students shared what they had done. Thank you to all those who were involved in this year's Culture Day.

CAS SCHOOL LEADERS

Christchurch Adventist School likes to develop leaders as part of its program. Opportunities for leadership this year have included the Prefect Team, House Captains, Peer Mediators, Sports Captains, leading out in FUSE, Kids Church, camps and Chapel programs. A group of Year 7-10 CAS students also attended a Leadership Conference held at Middleton Grange this year.

ART

PRIMARY & SECONDARY EXCURSIONS

This year both our Primary and Secondary campuses have enjoyed some great educational excursions ranging from (amongst many others) a Marae visit, to Kaikoura, to Orana Park, to Australia for a Careers visit, to the Wastewater Treatment Plant! Education outside of the classroom is an important part of what we do at CAS and we believe adds to the education of the learner. Thank you to all those teachers who have organised excursions this year, and to all the parent helpers who have come along also.

PERFORMING ARTS

The goal of Performing Arts at CAS is to enrich students' lives and to contribute to our wider community and church families. Students have had opportunities to perform in a range of settings, from informal lunchtime concerts and chapel programmes to church services and, of course, the very formal Prizegiving.

This year the Primary Choir have built on the successes of last year and developed a lovely sound, with many students becoming confident in adding harmony parts – even performing a spiritual in 3-part harmony! Choir students have enjoyed performing at church visits, Primary Week of Worship, chapel and at our local public library as part of New Zealand May Music Month celebrations. Other primary students have not missed out either. During Term 1, the primary school was inspired by a visit from members of the Christchurch Symphony Orchestra, who demonstrated their instruments, even allowing some students to touch and play instruments like the clarinet, violin and harp. Apart from each class's more regular chapel presentations, students from Room 5 presented a programme of waiata and action songs in a lunchtime concert. For Room 11 students, a highlight of the year was participation in Strum, Strike, Blow – a festival that brings together a thousand students from around Canterbury to play ukuleles, recorders and marimbas in a one-night-only massed performance. It was a spectacular occasion and it was truly thrilling to see the months of hard work these students had invested finally pay off.

In the high school, the CAS Ensemble has had a full year. Apart from the regular performances in chapel and church visits, the boys were delighted to earn $50 for the school with their performance at Papanui Public Library in May. Ensemble members have also had the opportunity to attend concerts by world-class musicians like the New Zealand String Quartet and the Doric String Quartet as part of the Chamber Music New Zealand concert series.

A Secondary Choir was formed this year under the leadership of Miss Qiosese. The Choir practiced regularly and performed for Staff Appreciation Day and the Church Visit at Ilam Church.

At CAS, students enjoy Performing Arts and we look forward to what 2015 will bring!

STAFF / STAFF FAREWELL

CAS is blessed with a fantastic bunch of staff who work so hard to help the students achieve and excel, not only academically, but also spiritually. The staff team continued to grow this year with the addition of seven new staff members. We are grateful for all of our staff and what they contribute to the school. In September the Student Council organised Staff Appreciation Day, which included a wonderful picnic on the field, a special Chapel program, a lovely morning tea, nice gifts for each of the staff, banners around the school and other goodies to show how valuable the staff are at CAS, thank you students! We look forward to continuing to grow our staff team in 2015 as the school moves forward.

FAREWELL MR LING!

FAREWELL MR CONRAD LING

The CAS staff, students and community farewell Mr Conrad Ling, who leaves us at the end of this year to pursue a career in the building trade. Mr Ling has been at CAS for three years and has taught Hard Materials Technology, Christian Living, Digital Technology and assisted with sport. We have appreciated all you have contributed to our school community Mr Ling and wish you all the very best and God's blessings for the future. Thank you for the impact you have made in the lives of our CAS students.
