CAS recommends the following BYOD (bring you own device)

Every device has its strengths and weaknesses and as such there is no perfect device for our school environment. However, the device your child brings to school MUST have;

1. A battery life of at least 6 hours (there will be no charging capabilities at school).
2. Wireless capabilities.
3. A minimum screen size of nine and a half inches.
4. The device must have a full keyboard as part of the device like a Chromebook.
i-pads require a compatible Bluetooth keyboard.
